New York accents and bistro-style coffee combine at **Coffee**. Peace, love and pie happiness will soon expand to Virginia-Highland with the opening of **Pie Shop**, a second location. Setting up in the former HoneyBaked Hamhouse space, the new shop will be the "hood's go-to stop for pie with your favorite slice of bacon, apple or banana pie." www.pieshopatl.com

Setting up shop in the former MARSAR space is **Twisted Soul Kitchen**, the Southern-influenced resto-bringer a modern take-on soul food to Denver with lively offerings like shrimp, grits, barbecue-chicken spring rolls and seared meatball and cheese, with a heavy focus on biscuits and gravy. At the bar, [#TwistedSoul](#)

Lively spirits and upgraded bar bites await at **GRATE**. Renard has new term-to-table fare on its hands at **Peach & the Porkshop**. The menu-driven menu is packing on the pounds with Northcountry sandwich piled high with everything from barbecue-toasted beef, giant hot dogs and burgers, and, of course, decadent pork chops and signature entrees to lay waste to your New Year's weight-loss resolutions. peachandtheporkshop.com
